Dear all at Apex Self Storage

I am writing to say thank you for your kind donation of £370.00 to help us support homeless people in Manchester.

As a small charity working directly with homeless people, we really appreciate your generosity which helps us continue to provide vital support to over 250 people who visit us each week.

As well as emergency help like food and showers, we offer support, advice and activities for those who are homeless or at risk of homelessness. At the Booth Centre people have the chance to get involved with activities such as art, drama, training, music and sports, which helps them to build their skills and confidence, find employment and to work towards a more positive future.

Once again, we have seen a huge increase in the number of people visiting the centre for support in the last 12 months. So with your help we will be able to help even more people over the coming months. Thank you once again for thinking of the Booth Centre. We couldn't continue to help the many people who need support without the generosity of our supporters.

Yours sincerely
