

**Apex Self Storage is proud to support the Greater Manchester Food Poverty Alliance who are doing amazing work to reduce and eradicate food poverty in Greater Manchester and the surrounding areas.**

#### **Apex Self Storage – GMFPA**

In April 2019 the Manager at Apex Self Storage in Hulme was approached by one of their current customers asking if Apex Self Storage wanted to be a part of the Greater Manchester Food Poverty Alliance, and of course we were eager to find out more about this worthy cause and how we could be part of it.

#### **What Is Food Poverty?**

Food poverty is consistent access to adequate food being limited by a lack of money and other resources.

#### **What Is It The GMFPA?**

The Greater Manchester Food Poverty Alliance is coordinated by Greater Manchester Poverty Action, and is made up of over 100 people and organisations, including many who have experience of food poverty, working towards a concerted strategic response to food poverty in our city region. **The Alliance aim to eradicate food poverty.**

#### **What Is Apex Self Storage Doing To Help?**

Apex Self Storage have provided a number of units, free of charge, across our sites where members of the public or organisations can drop off donations of unwanted kitchen and garden equipment. This is then organised and distributed to hostels and community centres across Greater Manchester. We will also have a local Scouts group visiting Apex Self Storage in Hulme early into next year to help clean and organise some of the donations which have been received so far.

The Team on site will be happy to accept your donations and then let the charity know they've received a donation.

The more donations we receive will have a direct effect on the people and communities around Greater Manchester who are suffering with food poverty.
